

SHARKS MEMBERSHIP OCTOBER 2021 TO 30TH SEPTEMBER 2022

Dear Members,

Attached is our renewal membership form for October 2021 until September 2022. The membership payment remains the same as in 2019 ie £25 per person or £60 per family (same family)

As you are aware, we have not collected full membership since 2019. This was due to the uncertainty of Covid and the closure of Snozone and other ski centres.

At this moment in time, it seems we are unlikely to return to Snozone for the foreseeable future for various reasons, therefore we are continuing to run our Saturday Ski Sessions at Swadlincote Snowsport Centre. This is an artificial outside Dendix slope. Swadlincote is just south of Derby off the M1.

Our sessions are on Saturday morning 9.00 am to 11.00 am. We have race poles out every Saturday, and once a month we have a 9.00 am to 12.00 noon session. The cost for the 9.00 – 11.00 session lift pass is: - Child = £10 and Adult = £12.50. We still charge £2 per person subs on attendance.

We are aware that the distance may be too far for some people, but we still have members and instructors travelling from Leeds, Humberside, Sheffield, and the Peak District areas.

If you have not already been and given us a try, please come along. We are still the friendly, fun-loving club we have always been.

Thank you

Molly, on behalf of Sharks Committee.
